CHILDHOOD IMMUNISATIONS

Please list any immunisations your child has had, and the dates they were given, in the box below.
(Immunisation dates can be found in the red book).

Please read the attached booklet for current immunisation schedules.

CHILD IMMUNISATION CLINICS:

You will receive an appointment directly from the Heath Authority. It is not possible to make changes to the child immunisation (under 4's) clinic dates.

Parents may come earlier or later within that day's clinic time, which is 8.40 – 11.50.

If you cannot bring your child yourself, a representative can bring him/her on your behalf. The representative must have written authorisation from you.

If you are unable to attend another appointment, for a few weeks later, will be sent from the childhood immunisation department at the Heath Authority. The clinic will still be on Tuesday from 8.40 – 11.50. You will need to phone to cancel your appointment.

This is for safety reasons – their name and the vaccinations they need are listed on the clinic sheet for that clinic.
